

Riptide by Vance Joy  
Rockschool Blue and Red Isolation project

Harmonies in *italics*

I was scared of dentists and the dark  
I was scared of pretty girls and starting conversations  
Oh, all my friends are turning green  
You're the magician's assistant in their dream

*Ooooh*  
Ooooh, and they come unstuck

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong

There's this movie that I think you'll like  
This guy decides to quit his job and *heads to New York City*  
This cowboy's running from himself  
And she's been living on the highest shelf

*Ooooh*  
Ooooh, and they come unstuck

*Lady, running down to the riptide*  
*Taken away to the dark side*  
*I wanna be your left hand man*  
*I love you when you're singing that song and*  
*I got a lump in my throat 'cause*  
*You're gonna sing the words wrong*

*I just wanna, I just wanna know*  
*If you're gonna, if you're gonna stay*  
*I just gotta, I just gotta know*  
*I can't have it, I can't have it any other way*

*I swear she's destined for the screen*  
*Closest thing to Michelle Pfeiffer that you've ever seen, oh*

Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong
